

Master Lock 'Back-to-Campus' Shopping Checklist

While parents have enough to worry about when their child leaves for college, the safety of their child's "stuff" shouldn't be one of them. The following shopping checklist offers a number of ideas for back-to-campus products that will ensure your student's belongings stay safe on campus.

Backpack Security

1548DCM Carabineer Lock

- Protect the contents of your backpack while out and about with these colorful carabineer locks. Choose your own resettable combination using a three-wheel locking mechanism for keyless convenience.
- Retail Price: \$6.39
- Purchase At: Kmart, True Value, Amazon.com

1533TRI Mini Combination Lock

- These mini, metal locks are perfect for your backpack or locker, and come in stylish metallic red, purple and blue colors. A hardened steel shackle provides extra cut resistance.
- Retail Price: \$8.29 for three pack, combination-alike, one of each color
- Purchase At: Target, Wal-Mart, Amazon.com

Locker Security

1500iD Speed Dial

- Create your own combination with Master Lock's patented technology that allows you to open your lock with directional movements (left/right/up/down), resulting in a faster, easier and more secure lock. You can reset the combination whenever you like, and apply included matching pass code indicators (letters, numbers, colors, shapes, symbols) for added customization.
- Retail Price: \$8.99
- Purchase At: Target, Staples, The Home Depot, Lowes, Rite Aid, Office Max, Office Depot, Kmart, True Value, Ace, Amazon.com

1590D Precision Dial

- Set your own combination with any mixture of three letters or numbers for fast and easy locker access. Reset the combination whenever you like with an included reset tool. Maximum security is provided by anti-shim technology.
- Retail Price: \$7.99
- Purchase At: Target, The Home Depot, Lowes, Office Max, Office Depot, Kmart, True Value, Ace, Amazon.com

1534D Password Plus

- Create the ultimate pass code with any variety of letters, numbers and characters and reset when necessary. Metal construction and a hardened steel shackle offer extra cut resistance.
- Retail Price: \$8.49
- Purchase At: Target, The Home Depot, Lowes, Office Depot, Kmart, Masterlockitup.com, Amazon.com

Bike Security

8184D U-Lock

- Maximum security is provided with this lock's strong, steel body; a seven-pin tumbler for pick resistance and a double locking shackle that can resist 3.5 tons of pressure or pull.
- Retail Price: \$24.96
- Purchase At: Ace, Amazon.com

8109D Keyed Cable Lock

- Use in conjunction with a u-lock for the highest level of security. This flexible cable offers strong cut resistance and is coated in vinyl to prevent scratching. The integrated key locking mechanism resists picking.
- Retail Price: \$10.59
- Purchase At: Target, Amazon.com

In-Room Security

7113D Cash Box

- Protect your cash, coins and other small valuables in this secure steel box. It's also easy to transport, so you can take valuables with you when you're away from campus.
- Retail Price: \$14.49
- Purchase At: Ace, True Value, Amazon.com

7143D Drawer Safe

- This durable steel box is ideal for money, jewelry and other small valuables. A four-compartment tray provided organized storage.
- Retail Price: \$14.49
- Purchase At : Ace, Amazon.com

7142D Security Chest

- This fire retardant chest will protect important documents, paperwork and other valuables in your dorm or apartment. Handles provide convenient carrying.
- Retail Price: \$30.00
- Purchase At: Masterlockitup.com, Amazon.com

Travel Security

4688D TSA Lock

- The lock's flexible cable withstands abuse from baggage handling equipment, and TSA screeners can easily unlock it to inspect your baggage, and then lock again. A metal body provides set-your-own combination convenience.
- Retail Price: \$6.99
- Purchase At: Target, Menards, Kmart, Masterlocktsa.com, Amazon.com

Door and Window Security

265DCCSEN Security Bar

- Keep hinging and sliding doors securely shut with this security bar made of 20 gauge steel that can withstand more than 350 pounds of force and adjusts to fit almost any hinged or sliding door.
- Retail Price: \$21.99
- Purchase At: Target, The Home Depot, Lowes, Kmart, Menards, Ace, True Value

266D Window Bar and Alarm

- Equipped with a 110 decibel alarm and a visual warning, the bar secures windows and sliding doors and locks to prevent break-ins. The battery operated bar is adjustable to fit most windows and sliding doors.
- Retail Price: \$24.99 (batteries included)
- Purchase At: Target, Masterlockitup.com, Amazon.com

Be sure to contact your local retailers before shopping to confirm all product availability.
